For clarification, we wish to inform prospective purchasers that we have prepared these sales particulars as a general guide. We have not verified permissions, nor carried out a survey, tested the services, appliances and specific fittings. Room sizes are approximate and rounded: they are taken between internal wall surfaces and therefore include cupboards/shelves, etc. Accordingly, they should not be relied upon for carpets and furnishings. It should also be noted that all fixtures and fittings, carpeted, curtains/blinds, kitchen equipment and garden statuary, whether fitted or not, are deemed removable by the vendor unless specifically itemised with these particulars.
