Description

A stunning and superbly appointed new double fronted family home totalling almost 5000 sq-ft over just two floors, set on picturesque Ham Common. The generous room proportions are further emphasised by the excellent ceiling heights and lateral configuration - providing superbly for formal entertaining as well as everyday family life. The quality of build and finish is exemplary throughout and should be seen to be fully appreciated. For clarification, we wish to inform prospective purchasers that we have prepared these sales particulars as a general guide. We have not verified permissions, nor carried out a survey, tested the services, appliances and specific fittings. Room sizes are approximate and rounded: they are taken between internal wall surfaces and therefore include cupboards/shelves, etc. Accordingly, they should not be relied upon for carpets and furnishings. It should also be noted that all fixtures and fittings, carpeted, curtains/blinds, kitchen equipment and garden statuary, whether fitted or not, are deemed removable by the vendor unless specifically itemised with these particulars.
