### 18 Burnsall Place Harpenden, Hertfordshire

A modern two bedroom semi detached house with a private garden, parking and a garage, located in a quiet cul-de-sac close to Grove School. There is excellent scope to extend (STPP).

Burnsall Place is located a little over a mile and a half from the station and High Street with local shops and amenities closer still. The property has a living room and a kitchen/dining room to the ground floor and upstairs there are two bedrooms and a bathroom. Outside there is a private garden and a driveway providing off street parking and giving access to the garage.

Harpenden is well noted for its excellent choice of schools for all age groups. Social requirements are well catered for, including several challenging golf courses, a sports centre, swimming pool, various clubs and associations and a comprehensive range of restaurants and bars. Harpenden benefits from a fast electrified train service to St. Pancras International (c.26 minutes), the City, Gatwick Airport and Brighton.

Date of certificate:
Reference number:

Semi-detached House nt: 30 July 2008 01 August 2008 :: 8118-6623-4240-7960-9076

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficient based on fuel costs and environmental impact based on carbon dioxide (CO<sub>2</sub>) emissions.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO<sub>2</sub>) emissions. The higher the rating the less impact it has on the environment.

# Estimated energy use, carbon dioxide (CO<sub>2</sub>) emissions and fuel costs of this home Current Potential Energy use 293 Wh/lm² per year 240 Wh/lm² per year Carbon dioxide emissions 2.9 tonnes per year 2.4 tonnes per year Lighting £52 per year £26 per year Heating £348 per year £296 per year Hot water £92 per year £92 per year

Based on standardised assumptions about occupancy, heating patterns and geographical location, the above table provides an indication of how much it will cost to provide lighting, heating and hot water to this home. The fuel costs only take into account the cost of fuel and not any associated service, maintenance or safety inspection. This certificate has been provided for comparative purposes only and enables one home to be compared with another. Always check the date the certificate was issued, because fuel prices can increase over time and eneruy savinors recommendations will evolve.

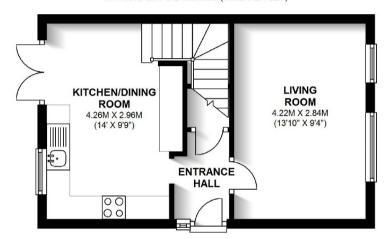

To see how this home can achieve its potential rating please see the recommended measures

Remember to look for the energy saving recommended logo when buying energy-efficient product. It's a quick and easy way to identify the most energy-efficient products on the market. For advice on how to take action and to find out about offers available to help make your how more energy efficient, cell 800s 151 012 or vite www.energy-exignitings for un full mythome.
